

# UNLV Community Garden

## PLANTER TENANT AGREEMENT

The UNLV Community Garden is a place of learning, growing and community. Each Planter must be tended on a consistent basis: as determined by the needs of the plants being grown. Therefore it is of the outmost importance for the overall health of the entire Garden, that the following conditions be met. Failure to adequately tend to your planter will result in expulsion from the Garden for a minimum of an entire academic year and may be subject to monetary penalties for any damages.

### **PLANTER RESPONSIBILITIES:**

- Minimum of 4 involved Tenants per Planter (“Planter Team”)
- Each Team must renew their Agreement each semester
- Each Planter Team is responsible for removing all weeds & Managing Bugs both within their Planter as well as the surrounding area around the Planter
- ALL Seeds/Transplants must be Organic & GMO-Free
- NO Non-Organic Pesticides/Fertilizers are to be used
- NO Modification to sprinkler tubing/system is allowed
- All Leaks or Damages must be promptly reported

### **Garden Responsibilities:**

- Each Planter “Team” is required to plan & host 1 Event per semester in the Garden
- NO Eating or Removing other Planters’ harvests without permission
- Do not allow Unauthorized Persons in the Garden
- Report lost or stolen Access Card ASAP
- Look out for the interest of others’ Planters

(ALL Planters are subject to changes that are brought about the Garden’s continuous development).

**\*Any breach of these regulations is subject to expulsion from the Garden.**
